

Year 1 Stationery List 2023

Rooms 8 & 9

This is the list of the stationery your child requires for the **first day of school in 2023**. It is important that your child arrives ready for learning at the start of the year. If you can, please bring stationery along on the day of your child's "Getting Connected" meeting.

We would appreciate it if you could name books before sending them along to school. Glue sticks, pens, whiteboard pens and sharpies **do not** need to be named as these will be collected then distributed as required.
